HH Waste/E-Waste Roundup

June 16 (TH) & June 17 (F)
9:00 am – 3:00 pm
Access #1

The Conservation Club will hold our Annual Household Hazardous Waste & Electronics Waste Roundup to assist residents to safely and properly dispose of these dangerous products. **HHW is any product labeled toxic, poisonous, corrosive, flammable, combustible or irritant. E-waste is electronic equipment and accessory (any item with a plug).** They contain a number of toxic components.

Please follow these safety guidelines before bringing items to the roundup:

- Package all HHW items carefully
- Tightly cap or tape down all items
- Place small liquid containers inside baggies
- Remove or black out personal information from original medicine container
- Package florescent bulbs to avoid breakage

A list of collectable items is posted on the bulletin board.

Paint is no longer accepted.

Thank you for helping to save our Earth.

Julie Dojiri, Conservation Club Chair

IN MY OPINION - Judy Foster

Our Memorial Day Picnic was so very much fun. Most of all, it is the spirit of the gathering that makes me happy. It shows how lucky we are to live here at New Horizons. A great big thank you to all who worked on it and made it happen.

TRAVEL NEWS

Our first trip of this year's travel season was a big success. We travelled to the Glendale Center Theater to see "How to Succeed in Business Without Really Trying." Delightful! This trip also inaugurated a new policy for the Travel Club: lunch on your own. As much as we wanted to continue our previous policy of including lunch in our trip selections, we found that escalating costs were making it difficult for some members to join us. Consequently, we believe that by eliminating the cost of an included lunch (often at some marvelous but pricey restaurants) we are able to reduce the costs of our outings and make them competitive with other travel clubs throughout the South Bay. From now on this will be our policy.

As I mentioned last week, we do try to plan ahead, but apparently that isn't always the successful tactic we expected it to be. Take the trip we were planning for June 30. I thought a day at the races with a special program just for seniors (Salute to Seniors) would be a winner. Apparently I was mistaken. We haven't gotten the response we had hoped for. I have since learned that a number of members have already signed up to do the exact trip with the YMCA.

So, no trip in June. Our trip in July will take us to Whittier to see how the Swiss celebrate their Swiss National Day. This year the celebration will take place at the Swiss Park on Sunday, July 31. All indications are that this will be a truly fun and very interesting day. In fact, it will be like taking a day long trip to Europe. If you have ever been to

Switzerland and liked what you experienced, you will love this day. There is literally something for everyone. There will be music featuring alphorns and accordions, The Swiss Harmonie singers will perform, yodeling, crossbow shooting, a soccer penalty kick contest, and so much more. In addition to all this, there will be food, food, delicious Swiss food – Raclette and wine, Spaetzle with cheese, Bratwurst, of course, and later on, a full Swiss dinner. A pair of special raffles will be offered: two Swiss airline tickets to Switzerland and a Swiss rail pass donated by Switzerland Tourism, Inc. Won't you join us for this very special day? Negotiations are under way for the cost, but indications are that it will be quite inexpensive. More next week. Questions? Comments?

DRIVEWAY PARKING

If you are having a contractor working in your unit, or an agent preparing a unit for sale/rent, please remind them not to park in a garage driveway. One small truck can block access to six garages spaces, the trash bins, and emergency vehicles. If there isn't a "NO PARKING" sign on the fence, please submit a work request to have one installed. Please be sure to indicate your garage letters and access number.
