Bio of Ed Benardo, Past New Horizons Architectural Chairman, will be in the next issue of the Newsletter.

JOYCE HARRINGTON

I was born in Alberta, Canada. My Parents moved from Canada when I was 10 years old. First move from Canada was in Montana, then to Oregon then to California. I went to High School in Fair Oaks, which is a suburb of Sacramento, Calif. I moved to Los Angeles when I was 19 to pursue a career in the Entertainment Field which is how I earned my living under the name of "Joyce Meadows." You can Google me - they know more about my background in Hollywood than I do! In 2003 I was on the New Horizon Board for the first time and Chairman of the Grounds Maintenance. And for the last 2 years I have served again on the Board, again, as Chairman of Grounds

Maintenance. Being raised on a farm I was at home with the many duties of Grounds Maintenance, yet, there was a lot to learn, especially working with the Employees. This time around obviously I was more prepared. We have wonderful hard working employees that I have so enjoyed working with. Also, with the help of my committee has been very instrumental in getting so many improvements accomplished in these last 2 years. I have served on Committees throughout the years such as The Code Enforcement Committee, Grounds Maintenance Committee (When I wasn't the Chairperson). A few years back when we had a Chorus. I sang in the Chorus and was there Soloist. Then later, I was conducting the Chorus. We created programs for Easter and Christmas. The Chorus also sang the picnics and other special occasions. My hope is that one day we can have another Chorus Group. I love my home here at the New Horizons and I am grateful to "give back" to our community and to help keep it the great place to live.

CITY OF TORRANCE- NEW COMMISSIONER

On Tuesday, January 28, 2014, New Horizons' resident, Paul Cohen, was appointed by the City Council to serve a 4 year term on the Commission on Aging.

Paul last served as Commissioner in 1995 on the Community Services Commission.

Paul is an active volunteer at New Horizons including the Vice Chairman of the Condo Improvement Club (CIC).

PAT ARTMAN

I grew up in Louisville, KY, and moved to California in 1961. I was employed at TRW for 27 years, starting as a secretary, and the last 10 years as a Business Administrator. I attended El Camino College with an AA in Business, and Long Beach State. I moved to New Horizons in 2003 from Manhattan Beach. Two years later, I ran for the Board at the request of Jim Kenny. I was Chairman of the Club House Committee for two years. The first year, the committee worked to update the Club House, such as painting, shutters, re-carpeting and flooring, artwork, enlarging the library, and acquiring a stackable washer/dryer to launder cleaning rags and mop covers, which the committee members had been taking home to launder. The following year we accomplished the remodeling of the Town Hall kitchen. The last two years I've worked on various committees, including Club House, Grounds Maintenance and Architectural. I am a member of the Disaster Management team in the capacity of search and rescue, after completion of CERT training through the City of Torrance. My personal time includes oil painting, supporting the Torrance Art Guild, and volunteering at the Torrance Museum. I decided to run for the Board again because I want to support the Board of Directors and residents maintaining our quality of living in our beautiful community.

LINDA CRICKMORE

I am a 12 year resident/owner of New Horizons (NH). I have 4 children, 6 grandchildren, and 4 great grandchildren. I graduated from LA High School with an interest in transportation and sociology, and emphasis on management in human resources and customer service. I have an AA from LA City College in psychology, with emphasis on teaching. I have a BA from USC in Library Science with interest in Sociology. I've worked for Farmers Insurance, See's Candy, Max Factor Cosmetics, Emery Air Freight, and Michael Lisa Trucking. I loved the air freight business, gained knowledge of customs and enjoyed bringing ocean containers in and out of the country, as well as sending special freight cross-country. My accounting background led me to be District Treasurer for 33 – 40 groups of an organization. I've been a member of that group for over 30 years, chairing conventions and fundraising events. I believe in community service and have been a Salvation Army Bell Ringer for 7 years. I serve as the Inspector for our general elections held here at the ceramic and ping pong rooms. It was my distinct pleasure to be your election commissioner last year. It was a huge learning experience. It was fun to meet and work with such a great NH team. I also enjoyed helping with our NH Directory white pages, as well as selling ads for our yellow pages. I love living at NH. It is beautiful and well-maintained. My vision for NH is to help keep it this way, and continue to make NH the best place to live in the South Bay. I believe in treating people as I'd like to be treated. I believe in fair treatment for our employees and our residents. I am no stranger to hard work and I believe in Team Work. The captain of a ship cannot run it alone – he needs a trusted crew. I hope I can be a part of this always going forward. Thank you for your support and consideration.

JULIE DOJIRI

I have been a resident of NH for five years. I was an elementary school teacher and site Coordinator for the Los Angeles Unified School District until my retirement in 2009. I am involved in many NH committees and clubs. Presently, I am a member of Club House (secretary) and Civic Affairs, but I have also been on the Recreation Council, Condo Code Enforcement, and Newsletter (calendar) Committees in the past. The Conservation Club (Chair), Line Dancing, Bingo (caller), and Silver Belles are some of the clubs I enjoy participation in. I am also a member of the Disaster Management Team (DMT). New Horizons is a wonderful and unique retirement community. I am running to be a board member so I can be a part of helping preserve what we have for our residents now and for those to come.

BARBARA HELM

New Horizons is the place I am proud to call home and have enjoyed since moving here in 2009. My previous experience as a New Horizons Board member includes serving as Recreation Council Chairperson. Working with a good committee, we looked for ideas to keep activities fun for all of you. Before coming to New Horizons I developed and managed an 8-acre Mobile Home Park in Lake Elsinore. Responsibilities included: overseeing contractors, coordinating required permits with Riverside County and working with the City of Lake Elsinore to provide an infrastructure of utilities and sewers. Prior to these property management ventures, I earned a B.A. in Management from Redlands

University and served as Personnel Administrator for TRW. If you elect me to serve on your Board, I will work with other Board Members to keep New Horizons the wonderful home we all love so much.

JOAN JONES

I've lived in New Horizons for 10 years. I attended Loyola University majoring in Business and Psychology, spent most of my career in the Financial Services, was Vice President of Employee Relations for UCB, First Interstate and Union Bank. My responsibilities included new employee orientation, working with outside agencies on Bank compliance, writing policy, training managers, administration of legal complaints, hiring and terminations, disabilities, workers comp, employee and manager counseling, supervising a staff, and managing a budget for my areas of responsibility. I believe I can be a benefit to New Horizons residents by bringing a solid business perspective to any Board role

assigned to me. I hope you will vote for me. Phone: 310-517-9350 E-mail: jonie2009@gmail.com

GARY SMITH

I graduated from South High School in Torrance in 1963, and went on to El Camino College through 1965. From 1965 – 1969 I served in the Navy, which included two years in Vietnam. After my discharge from the Navy, I went to work for a small customs Brokerage/International Freighting company based in downtown L.A. There were a total of 12 employees. I purchased the company which had grown to over 80 employees in 1987, by 2000 we had over 120 with operations center in L.A. Int'l Airport. In 2000 I sold the company to FedEx. Upon my retirement in 2008, I was responsible for operational centers in L.A., San Francisco and San Diego; totaling over 500 employees. My wife Judy

and I both grew up in the South Bay area, raising our three boys right here in Torrance. We moved to New Horizons in June of 2001, love living here and looking forward to having a more active role as part of the Homeowner's Association Board.

RICK ST. AMANT

The St. Amant Family has been Residents of New Horizons since 1971. I have been a resident for 10 years. I am currently serving on the Board as Chairman of Recreation Committee. I was appointed this position when a vacancy became open with the resignation of an elected Board Member. I have served as a Board Member in the past as Insurance Chairman for four years. I look forward to assisting the N.H. Board in the coming two years. I have been in Real Estate Sales for 20 years. I am involved in many community activities. I have been a member of the Lomita – Harbor City Kiwanis for 15 years. I served as Board Member for 3 years, Club Secretary for 4 years and President. I am in

my first year of serving as a Board Member for the Optimist Home whose purpose is to house, feed, mentor and educate children at risk or those who have been made wards of the court. Upon turning 18, they are offered vocational training or assistance in attending college. I am also a Board Member of my favorite Car Club, Great Autos of Yesteryear. My main goal as a Board Member is to maintain our current high standard of living, modernization and maintenance of our building and grounds and the continued growth of our property values. I look forward to serving for the next two years.

Rosemarie Carlisle

"After living in Sonoma for 30 years, I was feeling lonesome and wanted to move closer to my children. My sons had done prior research and looked at 10 different retirement homes. I came down; we narrowed our choice to three and guess what? We all chose the same place - Harbor Terrace!"

There is a special feeling here. Everyone is friendly, happy and engaged. I like everything. If we need any assistance, we get it immediately. There is always someone to talk to and lots to keep us active. This is truly the place for me!"

Happy Valentine’s Day to all our loyal travelers. This February we have a trip that I think we will all enjoy. It takes place on Saturday, February 22. That is when we are taking in a theater outing at the Candlelight Pavilion Dinner Theater to see “My Fair Lady.” As I said, I’m excited about this trip. The theater is great. The shows we have seen there have been superb. The theater prides itself in blending elegance of décor and dining with the excitement of professional musical productions. “My Fair Lady” is made to order. I feel this is the kind of show we all can appreciate. It looks like the money is in, so now all we have to do is wait for the 22nd. We can look forward to a delicious lunch, a great show and round trip transportation on a first class motor coach.

In March we plan on taking one last trip to the Palm Springs Follies which is scheduled to close in May. The trip date is Friday, March 28. The cost is \$95.00 with 38 or more folks and lunch will be on our own. The headliner at that time will be Darlene Love. Darlene started her singing career by being a backup singer for Elvis Presley, Aretha Franklin, Frank Sinatra and many more. As an adjunct to her impressive resume, Love became the decade’s most sought after session singer working with some of the era’s biggest stars. This trip will be discussed further at our February meeting, and we will be putting up the signup sheet on the board right after the meeting.

In April, we are planning a trip to Ventura County for a special outing called “Have Trunk, Will Travel.” We will have a fascinating day visiting the Exotic Animal Training facility at Moorpark College. Called “America’s Teaching Zoo,” the animals include everything from Marmosets to an African lion, leopard geckos to alligators, and camels to emus. The zoo is also home to a spotted hyena, a bald eagle, a mountain lion, red foxes, a wide variety of primates, birds, and many other exotic and endangered animals. Our visit to the teaching zoo begins with a live animal show, followed by a guided tour of the facility. We then have lunch at the Elephant Bar in Simi Valley. Our final stop of the day will be a guided tour of the Gardens of the World in Thousand Oaks. This garden commemorates the various cultures of the world. Included are Italian, French, Japanese and English gardens. This trip is offered on Tuesdays and Thursdays and costs \$69.00 with 38 or more. We haven’t picked a trip date yet, but it will be in April. This trip will also be discussed at our February meeting
