A breathing apparatus was turned into the office this morning, left behind from the Labor Day picnic. I haven't had anybody call in looking for it yet.

NEW FLAGS

Thanks to the Torrance Fire fighters, Tony and Jaime, the American and MIA/POW flags are flying in front of the Club House once again.

The Conservation Club donated the two NEW flags. Why new? According to the flag code, flags that touch the ground must be retired.

Therefore, the downed flags will be given to a

local Boys Scout Troop for proper retirement by Virginia Allen, Civic Affairs Outreach Coordinator.

Our flag pole is 80 feet tall so it takes a hook and ladder fire truck to thread the rope through the pulley. The Torrance Fire Dept. came out on Sept. 2nd to do just that. The first attempt failed as the rope was too thick, so a thinner cotton rope had to be used. This rope will be monitored and replaced as needed by our crew to insure the flags remain flying.

As you can see from the photo, it was an exciting sight to behold!

Labor Day Picnic

New Horizons residents, family & friends enjoyed all the wonderful music, food, baked goodies, boat races, and visiting with everyone. I saw lots of smiles and even some dancing. A BIG THANK YOU goes out to all the wonderful volunteers who made this picnic enjoyable & a success! They all gave up a lot of their personal time and energy to make it all happen. We would all like to say "THANK YOU Pat Artman" for the new tables and chairs!!! The Picnic Fun Club hopes to see everyone next year for the Annual New Horizon Picnics.

TALK ABOUT JOYFUL

**DON'T PICK THE DAISIES
(flowers)**

Flowers growing in common areas, or around fences and patios are for everyone's enjoyment and not for a personal bouquet (except when planted in front of one's own fence). When the bright yellow lilies bloom next to my garage, I wonder how long they will last. The answer is, not very. My mother once had a resident ask if she could cut the flowers off her hydrangea bush because she wanted to visit a neighbor in the hospital. Someone tore the flowers off one of my bulbs which only blooms once a year. It was so disturbed it did not bloom again for 2 years. Those of us who are resident gardeners like to think we are helping to make New Horizons a more attractive and pleasant place to live.
