HAPPY LEAP YEAR! Happy Birthday to all born on February 29th. You are all so much younger than the rest of us!

IN MEMORIAM

John Burrell, a longtime resident of New Horizons recently passed away. He is survived by his wife Spicy. Per John's request no services were held. We will all miss his lovely welcoming smile and seeing him sitting on his cart having a smoke by the driveway waving to everyone. John was

always helping someone water flowers, etc. John will truly be missed.

TRAVEL NEWS

At our February 4 meeting a discussion took place about the trips we proposed for the 2016 travel year, the members expressed dismay that a trip to Laughlin, Nevada was not included. Apparently I had misread one of the clubs desires. So, instead of traveling south to San Juan Capistrano in April to tour the Mission as we had planned, we are now slated to head east to Nevada to visit the gambling mecca of Laughlin. This visit has two possibilities both have the same trip dates, **April 17, 18, and 19**. The first possibility is; we spend the three days of the trip in Laughlin, gambling, shopping, whatever. The second possibility is more tourist orientated and includes a side trip to the beautiful Grand Canyon National Park with a full time guide that stays with the group throughout the visit. Consequently, this version is a mite more expensive since we would have to pay for the guide. Day one (April 17) on both versions is exactly the same. We would leave at 8:00 am and go directly to Laughlin, check into the Riverside Resort and Casino, and have the remainder of the day to ourselves. The second day is devoted to visiting the Grand Canyon with the guide. The itinerary includes visiting Guano Point for a panoramic view of the Colorado River and the Grand Canyon. A shuttle takes us to the Hualapai Reservation on the rim of the Canyon, followed by lunch in the Hualapai village. Afterwards we see a Native American cultural performance, complete with a photo op and explore this authentic Indian village. Finally (for an additional fee), those who chose to, would be able to take a walk out onto the famous glass Skywalk which extends out over the canyon rim for a bird's eye view. We would then return to Laughlin for the evening. On Day three for both versions (April 19), we, have the morning at leisure at the Hotel, then board the coach for the return trip to New Horizons. Costs for these two Laughlin adventures differ as follows: Version one (with us staying all three days in Laughlin), \$115.00 per person for 45 or more passengers or \$141.00 for 30-44 passengers. Version two (with us going to the Grand Canyon) is \$201.00 per person for 45 to 54 passengers, or \$241.00 for 30-44 passengers. Both versions are based on double occupancy and enjoy three free meals: two breakfasts and one anytime. As with all our excursions, friends or senior family members are welcome to join us. The signup sheets are on the board in the clubhouse. Please indicate your preference for either trip version. Won't you join us?

As for the trip to see the Braille Institute and visit the Guide Dogs of America, I'm afraid we will have to cancel this Terrific adventure due to lack of support. We just didn't get the number of passengers we needed to make it a go. Questions? Call Ed Reilly at 310-326-4710 or Sharon Rose at 310-539-0811.

DRAFT BOARD MEETING MINUTES WEDNESDAY, FEBRUARY 17, 2016

Meeting called to order by Chairman, Bob Lombardi, 3:00pm in the Town Hall.

Attendance: Chairman, Bob Lombardi; Vice Chairman, Gary Smith; Secretary, Kathy Lindbergh; Architectural, Tom Kasterko; BIS, Bud Brown; Buildings & Pools, Carl Aleccia; Civic Affairs, Julie Dojiri; Clubhouse, Pat Artman; Condo Code Enforcement, Linda Falzone; Grounds Maintenance, Linda Crickmore; Insurance, Judy Foster; Newsletter, Maggie Pagan; Recreation Council, Jennifer Haymore, Resident & Orientation, Barbara Helm.

Board Meeting Minutes of January 20, 2016 moved to be approved by Linda Crickmore, 2nd by Linda Falzone. Minutes approved as written.

#1. Presentation by Lee Barrett, Nisus Corp. Bora-Care Manufacturer, Division VP, Domestic and International Pest Control.

Mr. Barrett stated: Bora-Care has been around for over 25 years. This insecticidal product does not break down, comes in (2) forms, dust and liquid. It has no gasses, no odor, drying time about (2) hours, and not harmful to pets.

Treatment is on unpainted new wood, which termites are attracted to, and will be treated before the wood is used for the new roofs. All surface of wood will be covered.

The only way this product will dissolve is by a high amount of pressure of water being applied to the wood. Dye, a different color from the Bora-Care, will be sprayed on the wood to show where the treatment has been applied.

This is a "green solution."

A CD was shown on this product.

#2. Presentation by Chris Gerber, Owner, Ever/Safe Extermination Co.

Mr. Gerber stated that anything that has raw wood will be sprayed, including meter boxes at no additional charge. He stated that it takes (3) to (5) years to build a termite colony when the termites begin to swarm. There is a 15 year guarantee on treated lumber. Question about ants. Ants eat dead termites, this will kill ants as well. The termites will not go through the wood coated with Bora-Care. He said that Ever/Safe will come back to check after the new roofs are installed. Question was asked about termites in the garages. He said this should be spot treated.

Both presentations ended at 4:00PM.

St. Valentine's Tournament Result February 13, 2016

The Men's club golfers were hosted by the Ladies' club for the Valentine's Day Tournament (a Sadie Hawkins kind of thing), and a great time was had by all. The golf was great, but the lunch was even better. Gentlemen, if you didn't sign up for this one you really missed out on a good thing.

The results of the tournament show that Craig Conant pretty much made a clean sweep. Not only did he win the Men's side of the tourney but also got a hole-in-one on the designated \$100.00 hole #2. This is the first time in all the tournaments I've played since coming to New Horizons in 2001 that someone had done it; a rare feat indeed. Congratulations to Craig and all the other winners. Thanks to all the other players and to the Ladies Club who did such a spectacular job putting it together.

2016 MEET THE CANDIDATES

HEATHER LAMONT

I have lived in Torrance for 14 years and at New Horizons for the last 2 ½ years. While here I have delivered the newsletter weekly for the past year. I help with labeling the newsletter weekly. I have been on the Architecture Committee since last March. I worked with Pat Artman's Art Committee collecting art, setting up, sales and clean up at the Fall Fling. After attending West L.A. College and Dominguez Hills CA State University, I began a 40-year career as a Flight Attendant. In the past, I have volunteered as a tutor, recreation leader for Summer Camp, an aide at Daniel Freeman E.R. Special Olympics and Golden Retriever Rescue Club. I feel blessed to be living at New Horizons where I am surrounded by wonderful neighbors who have become my chosen family. I am running for the Board to put

my talents to work for the membership of New Horizons.

JULIE DOJIRI New Horizons has been my home since 2009. I am a retired LAUSD (LA Unified School District) elementary school teacher. I have been a Board Member for the past two years as the Civic Affairs Chairperson. Some of my committee accomplishments include: hosting the Torrance City Election Candidates' Forum, Neighborhood Watch, and Fire Safety workshops. I had Torrance Transit install a pedestrian count-down signal light on Maple Avenue. I am also involved in many NH committees and clubs such as Chair of the Conservation Club, Club House and Newsletter Committee member, DMT, and NH Bingo caller. I also serve as the audio/visual equipment coordinator for the HOA. If I am elected, I will work diligently to do what is best for all of our residents.

PAT ARTMAN

I moved to New Horizons in 2003. I was employed at TRW for 27 years in Business Administration. I ran a home-based business after my early retirement for 14 years. I have served three previous terms on the board as Club House Chairman. The first term (2006-07), our committee updated the Club House Lounge with shutters, carpet and enlarging the library and the flooring was installed in the Card room. The second term (2008-09), we remodeled the kitchen and installed the shutters in the Town Hall. I was appointed to fill out the term of Civic Affairs Chairman in September 2013. This last term, we replaced the ping pong table, the shade netting over the picnic area, updated the Golf Room, had the pool furniture painted by one of our employees after hours, and installed a flat screen TV in the Lounge. I have served on many committees, am a

Building Coordinator and a member of the Disaster Management Team in search and rescue. I am a member of the Torrance Artists Guild, serving on the Board as Recording Secretary and four years as Treasurer. I volunteer for South Bay Village. I am running again for the Board because there are important projects that need to be done, and to support the Board making the right decisions to keep New Horizons the best it can be.

LINDA CRICKMORE

I am a 14-year resident/owner of New Horizons. I have an AA from LA City College in Psychology, with emphasis on teaching and a BA from USC in Library Science, with a minor in Sociology. I've worked for Farmers Insurance, See's Candy, Max Factor Cosmetics, Emery Air Freight, and Michael Lisa Trucking. I believe in community service and have been a Salvation Army Bell Ringer for 10 years. I have served as the Chairman of the Grounds Maintenance Committee for the past 2 years. My committee purchased new sprinklers for the entire 55 acres including the golf course. No charge was incurred due to our rebates. The total cost saved was \$21,291. We have also worked on the refurbishing and paving of Areas 6

and 3. We are very proud of our accomplishments. My volunteer work here at NH includes Board Chairman, Grounds Maintenance Committee (2014 & 2015); Election Commissioner; Condo Improvement Club (CIC); Telephone Directory Committee (2014); and CIC Fall Fling (2015). One of the reasons I love living at NH is that it is beautiful and so well-maintained. My vision is to continue to make NH the best place to live in the South Bay. I am no stranger to hard work. I believe in teamwork and in giving back to the Community. That is why I am running again.

PETER K. WU

Elsie and I purchased our condo unit in February 2015. I have attended many New Horizons Board meetings and believe that I can make a positive contribution to help move New Horizons forward. I have worked at Physical Sciences Inc., Andover, Massachusetts for 18 years. I conducted government sponsored research for the Defense Department. Then I joined Factory Mutual Research Corporation (FMRC), Norwood, Massachusetts in 1992. At Factory Mutual, I was involved in fire research to advance the knowledge of protecting manufacturing companies and warehouses. My research has been used by the parent company, FM Global, an insurance company. I was also involved in the operation of two Home Owner's Associations. I have a B.S. in Mechanical Engineering from Stevens Institute of Technology,

Hoboken, New Jersey, a M.S. in Aeronautics and Astronautics from Massachusetts Institute of Technology, Boston, Massachusetts, and a Ph.D. in Aerospace Engineering from University of California San Diego, La Jolla, California. If elected, I will work closely with other board members to improve New Horizons for all residents.

GERRY JOHNSON

Resident/Owner for 12 years. I proudly served 4 terms on the Board, bringing to New Horizons my many decades of competent property maintenance skills. I, like you, have a vested interest in New Horizons, and I promise to devote my time to keep this an exemplary place to live. I plan on continuing a positive work & living environment with all my decisions guided by what is best for you and your living conditions. I am ready, willing, and able to work with the other Board Members to bring about the best for all! If elected, I promise to give my all to my elected position and make sure YOUR issues and concerns are fully

addressed. Questions? Concerns? Just call me! Thank You!

LINDA FALZONE

I have been a resident of New Horizons (NH) for 22 years. I am blessed to have two special men in my life: John, my sweetheart of 23 yrs., and my wonderful son, Richard. I was born in The Bronx, NY and moved to Santa Monica in 1972. After working in the business field in Manhattan, NY, I continued this career at Garrett AiResearch/AlliedSignal Aerospace/Honeywell, holding positions of Executive Assistant to the VP, Human Resources, and to the President, Avionics Group, retiring in 1999. That same year I joined The Aerospace Corp. and retired in 2013 as Executive Assistant to the VP, Technology & Laboratory Operations. My volunteer work at NH has been: Board Chairman, Condo Code Enforcement Committee (2015); Leader of the successful CIC Fall Fling Fundraiser ('15); CIC Telephone Directory Committee ('14); CIC Spring & Fall Fling Committee ('08, '11, '15). This has been my first year serving on the Board. It has been a wonderful experience working with such a dedicated team of volunteers. I especially enjoy working with you, the members. My vision for NH is to continue to help you keep it beautiful, well-maintained and organized. I am a solid team player who delivers on commitments. Thank you for your support and consideration.

GARY SMITH:

My wife Judy and I moved into New Horizons 15 years ago. We both grew-up in the South Bay area, attending South High School and El Camino College. We met in high school and just celebrated our 50th wedding anniversary. We have three children and 4 grandchildren. I served 4 years in the Navy, including 2 years in Vietnam. After leaving the service, a friend and I started a customs brokerage/freight forwarding company near LAX. We operated the company from 1987 to 2000, growing from 12 employees to just over 150. The company served both Fortune 500 and small local companies. In 2000, we sold the company to FedEx. I stayed with FedEx for 8 years as the Regional Manager-Southwest Operations. This included the offices in Los Angeles, San Francisco, and San Diego, totaling over 500 employees. On the Board I have served as the Architectural Chairperson, and currently as the Vice Chairman. As the Vice Chairman, I have worked with the other Board members, employees, and vendors helping to make positive things happen for New Horizons. I have managed a number of projects, including the re-roofing program. Many more necessary and creative projects remain on the table. I would appreciate the opportunity to continue serving on the Board. I want to help get the Board working together as a team with some common goals.

GAIL STANDLEY

I'm a 22-year resident of New Horizons. My experience includes being an Operations Coordinator, Project Manager & a Certified Meeting Facilitator. In 2013/14, I served NHBOD as Civic Affairs Chairman for a short time & then became the Board Secretary (1½ yrs.). As Civic Affairs Chair I was instrumental in resolving the "Red Curb" debacle. As Board Secretary, I worked with my team to resolve the records issue in Garage B, setting the records in order & writing a procedure for future Boards to follow. I brought the concept of a resident information database (SmartHOA) to the Board. It was implemented and then copied. When it became apparent we were going to drown in debt because the Board was trying to resolve the pin-hole leak problem with re-piping the buildings, I found a company that coats the pipes, thereby stopping the pin-hole leaks. I brought the solution which is in operation today to the Board. I have always been a successful planner, problem solver & communicator. The incoming Board needs to treat one another with professional courtesy, and all transactions must be transparent. Goals are important, but, you must have a plan in order to be successful.

MAGGIE PAGAN

Bob and I happily moved to California 2 years ago from New York. We moved into NH in March and we purchased our condo in Sept.2014. I joined the Water Aerobics group and made many friends. I assisted with many events starting with the Boat Races as my first experience as a volunteer. I helped with the Newsletter as a formatter in February 2015. Once there, I saw the need to have more volunteers so I recruited many new volunteers. In Sept. 2015, I was appointed to the Board as Chair of the Newsletter. In my life I have had many careers, working in nursing homes for 3 years, and then as an employment counselor for 5 years. I worked as a teacher trainer for Scholastic Magazine part time and became the Northeast Sales Manager. While my children were in school, I was a substitute teacher. I worked for a "Large Accounts" sales representative for Corp. Express for 5 years. I have a BA from Pace University. I want to establish Board goals. With a plan we have direction and will accomplish much more by focusing on these goals

JOKE TIME:

Two friends were talking in a restaurant, "So you gave up drinking because she asked you to?" one asked. "That's right" the other replied.

"And smoking?" "Yep." "And dancing, gambling and pool?"

"All of it." "Then why didn't you marry her?"

"After all that reforming, I decided I could do better."
