NEW HORIZONS – SOUTH BAY ASSOCIATION

New Horizons is designed as an ACTIVE ADULT COMMUNITY in a resort setting that provides amenities for various activities. Our condominium community requires rules and regulations as guidelines for living together in a peaceful and tranquil manner.

The following pages set forth some rules for the common areas and other specific areas that will insure all residents a peaceful coexistence with their neighbors as well as provide guidelines for our guests.

Please remember that our Association is a volunteer organization and all members of the Board of Governors and all committee members are unpaid residents who volunteer their time and effort.

ENFORCEMENT OF REGULATIONS

The Board of Governors, elected by the owners, has the overall responsibility to manage the affairs of New Horizons including the reasonable enforcement of the Association's governing documents including the Management Agreement, the Conditions, Covenants & Restrictions; and the Resident & Guest Rules & Regulations.

The primary means of enforcement shall be by personal contact and persuasion. However, when required, the Association has a policy imposing a monetary penalty on any association owner or resident for a violation of the governing documents relating to the activities of an owner, a resident, a guest or an invitee of a resident.

Owners and/or residents will be given an opportunity to be heard before the Board of Governors prior to any monetary penalty being levied. The hearing will be held in executive session and actions of the meeting will be generally noted in the minutes of the Board of Governors meeting.

SCHEDULE OF MONETARY PENALTIES & FEES

1. The Association may levy a monetary penalty from \$25 up to \$500 for any violation of the Association's governing documents. The amount of the penalty will be determined by the Board of Governors after considering the severity of the violation, prior violations and the facts and circumstances under which the violation occurred.
2. Where the violation is ongoing, the Association may levy a monetary penalty of \$25 per day for each day the violation continues without correction until the penalty reaches \$1,000 which may result in legal action.
3. Where an owner, owner's guests, tenants, or invitees have damaged the common area, the Association may levy a monetary charge in a sum equal to the cost to repair the damage and thereafter lien the owners unit, if payment is not made, in accordance with California Civil Code Section 1367.1 (d).
