Bazaar, Benefit for our Therapeutic Pool Fund.” As in the past, all proceeds from the 2015 sale go back into worthy New Horizons improvements. The late Fay Bradshaw organized this first bazaar. All subsequent bazaars have followed her plans.

Volunteer Teams have been receiving your donated items for the last five months. Two days before the big event the areas will be set up and all items will be moved from garages to the Clubhouse and its surrounding areas.

Booth set up is as follows: Jewelry and Art in the Lounge; Clothing, Shoes and Purses in the Billiard Room; Books, DVDs, LPs, CDs in the entry of the Clubhouse; White Elephant and Holiday items will be outside in the Picnic Area; Furniture, Tools, Sports Items and Electronics can be found in the side parking lot, and Port-a-Potties nearby. Bakery items and coffee will be for sale in the Golf Room. **All these areas are reserved from Thursday, Sept. 17 at 7:00 am until Sunday afternoon, Sept. 20 at 3:00 pm.** The Fall Fling will begin on Saturday at 8:00 am ending at 1:00 pm on Sunday, at which time clean up will begin.

The Fall Fling Volunteer Security Team will be on high alert throughout the weekend. People from all over the community are invited, so plan to be there early when the doors open on Saturday at 8:00 am, to see if someone’s discard could possibly be your treasure. Do not forget to purchase Opportunity Drawing tickets for the chance to win great prizes donated by local vendors. Call me for more information –

IN MY OPINION

By Joyce Harrington

Our Grounds Maintenance Department had an additional employee leave. Since we are at least two employees short of what the G.M. Committee used to have for many years, I feel it is necessary to write this article. Please remember that we still have a serious “drought.” Things our gardeners used to keep green are no longer because of the water restrictions. Now I feel we need to support our gardeners more than ever. I have lived here for twenty years. Our gardeners deserve our utmost support and appreciation. **THEY DO A GREAT JOB TAKING CARE OF NEW HORIZONS.** Please... all who feel the same as I do take a minute to write to say thank you.

Thank you, Tony, Sam, and all the gardeners, for keeping New Horizons looking great. Thank you, Linda Crickmore, for all you do in Grounds Maintenance.

DMT MEETING IN SEPTEMBER

FIRSTAID TRAINING

There will be an important meeting in the Town Hall for all Disaster Management Team members on Thursday, Sept. 17th. Please note that the setup for the Fall Fling will be in progress. We will have a guest speaker and trainer for our DMT members. We will practice hands-on training for First Aid in the event of a major earthquake or other disaster that may be coming our way. Bring your Walkie-Talkies to this meeting for battery check. Parking will be limited. Please walk.

TRAVEL NEWS

We did it again! Well, here it is September already. As the saying goes, “We are all dressed up ... **But we do have some place to go!**” Oak Glen A La Mode here we come! You can still join us. We have room! We leave Friday, October 16, at 10:00 am and return at 5:30 pm. The cost is \$63.00 with 38 or more passengers or \$70.00 with 29-37 folks. Sign up sheet is on the bulletin board in the Clubhouse.

You know it is autumn in Oak Glen when the aroma of homemade apple pie, fresh pressed cider and just-picked apples fills the brisk mountain air. The apple harvest in Oak Glen extends from September through mid-November, calling visitors like us to its acres of wonderful orchards set against a backdrop of snow-peaked mountains and autumn colored leaves. This has traditionally been one of our most popular trips. Our first stop is for a home-style lunch at one of Oak Glen’s most popular restaurants. Afterwards, we are on our own to stroll through picturesque Oak Tree Village and visit Los Rios Rancho. While we are busy shopping, the driver will pick up whole fresh-baked apple pies for everyone to take home. Questions? Call Ed Reilly at 310-326-4710 or Sharon Rose at 310-539-0811.

If our readership of this Newsletter has any suggestions to increase membership participation, we would like to hear from you. We truly want our club to be an asset to our community. Drop us a note and place it in the Travel Club box in the Clubhouse or send me an e-mail at edwardreilly2015@yahoo.com. We’ll address all suggestions and report back in a week or two. Thank you.

November

This month we are off to our annual “Laughlin Getaway”, three fun-filled days along the banks of the Colorado River at the Riverside Resort and Casino. Our trip dates are: Sunday through Tuesday, Nov. 15 - 17. The costs are \$115.00 per person, double, with 38 or more passengers or \$140.00 p/p double, with 29 to 37. (Add \$25.00 for a single). Included in these prices are one free breakfast buffet and one buffet of choice.

December

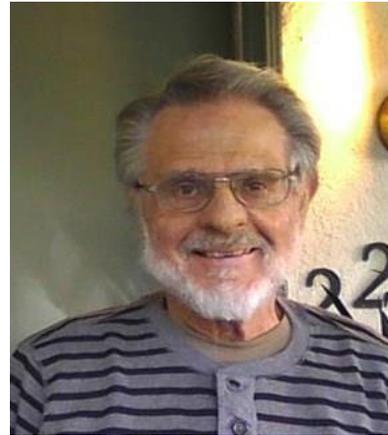

On December 13, we are heading south to the Lawrence Welk Resort to enjoy a delicious lunch and see a golden oldie, a seldom seen holiday musical: “Meet me in St. Louis.” This musical is based on the movie of the same name, starring Judy Garland. There will be more on this trip later.

IN MEMORIAM

JAMES D. LABOR

Longtime New Horizons Resident

James D. Labor of Torrance, California, retired engineer, passed away on June 3, 2015, at the well-earned age of 86. He was a generous, supportive, rock-solid father of two grateful daughters; a charitable giver to so many wonderful causes; and a warm and helpful friend and neighbor to all. He

was also an adventurous world traveler and sailor, an enthusiastic barbershop singer and set designer, and an amazing avocational carpenter: his cabinets will stand the test of time. We miss him so much! But he will remain in our hearts always, and we know that his spirit is now soaring, free of all pain and suffering.

Two Seniors Were Almost Struck By Cars!

There are people who drive a motorized vehicles around New Horizons who are barely visible to car traffic. Recently, someone in an electric wheelchair was almost struck by a car crossing Sepulveda Blvd. at Maple Avenue. He was in the intersection, which does not allow enough time to barely cross the street and cars were turning left from Maple onto Sepulveda when a car turned, honked and slammed on his brakes to avoid hitting him. The wheelchair bound traveler stayed there frozen in place for quite some time. He was probably in shock that he was not killed. Eventually he then proceeded to go across the street. Luckily, he then proceeded crossing the street because the on-coming traffic waited for him.

Suggestions for scooter and wheelchair operators: Attach a flag or two to your vehicle for better visibility. Make sure you push the button at the crosswalk, which allows longer crossing time.

Here are some of the more memorable quotes from 9/11 and its aftermath.

"Are you guys ready? Let's roll." -- Flight 93 passenger **Todd Beamer**, apparently as a signal to other passengers to attack the hijackers.

"We're young men; we're not ready to die." - Kevin Cosgrove, a business executive who was on the 105th floor of the south tower moments **before it collapsed**.

"Numerous civilians in all stairwells, numerous burn [victims] are coming down. We're trying to send them down first... We're still heading up." – Capt. Patrick Brown, whose company had climbed to the 35th floor of the north tower a half-hour **before the first collapse**.

Whatever happened to...

Lorraine Mavar?

"For me, this is a dream come true. I am so happy and content with not a care in the world. I love that I don't have to clean up the dishes after the meals and when I come back from breakfasts my apartment is fresh and clean and my bed is made. I feel like a queen. I have to plan when I can rest due to all the different, interesting and fun activities. My grandchildren came in and told me my apartment here is just like my home because I have all my own furniture and decorations on the walls. I have a complete feeling of independence here. Who could ask for more?"
